Consultants Unveil Rec. Study Plans

Two recreation consulting firms were interviewed Monday night at the regular committee of the whole meeting of the town. The first to make his presentation was G. Shelley of Macropian Consultants Ltd. and the other was R. Thompson of Kates, Peat, Marwick and Co. Both firms have offices in Edmonton.

Purpose of the whole exercise was to give the town council of St. Albert an opportunity to dialogue with recreational consulting firms in order to obtain facts and figures on the proposed parks and recreation study. While hearing the submissions from the consulting firm representa-

tives, members of council were able to visualize more clearly to what extent the study would be carried out, what kind of information council would be supplied with and the cost of this kind of study.

Each spokesman was given 25 minutes to make his presentation, during separate private appointments. Macropian Consultants Ltd. estimated that their study of St. Albert's recreational facilities, would take between three to five months at an estimated cost of \$9,000. Mr. Shelley explained to council members that the \$9,000 package would include a total assessment of local recreational facili-

ties, programs, personnel, administration and upon completion of the study, a comprehensive report would be delivered including recommendations and follow-up services as required.

Second to make their presentation, R. Thompson and C. Clapham of the firm of Kates, Peat, Marwick and Co., estimated that they could conduct the local recreational study in about six to eight weeks at a cost of about \$6,000 plus several hundred dollars, depending on out-of-pocket expenses incurred while the study was being done. Spokesmen for the firm also spelled it out to members of council that

Jubilee Guide Camp marks Sixty years in Alberta

With 410 guides and guides under canvas at Mico-We-Ko-Win camp site about two miles east of St. Albert over the weekend, the Tamarac Area Jubilee Camp was the largest guide camp ever held in Alberta, according to Mrs. Beatty, provincial commissioner, of Red Deer.

It was arranged to mark 60 years of Guide Camping in Alberta. The Girl Guide movement began in the province in 1912 and the first camp was held in 1913.

First Guide Companies came from Klusko, Morinville, Westlock, Bon Accord Smoky Lake, Stony Plain, Gibbons, Slave Lake, Barrhead, Athabasca, Onoway, Redwater and Spruce Grove 2nd, 3rd, 4th, 5th and 9th companies from St. Albert

were represented and 2nd company Spruce Grove, as well as the 1st Tamarac Cadets, the Gibbons Rangers and the Onoway Rangers.

Campers began arriving Friday about 5 p.m. and the

last patrol came in at 8:15 from Smoky Lake. Tents were set up in four groups identified by a color marker, with 16 tents per group, plus supply tents and trailers. The site with its large

Parallel Parking Bylaw

The parking situation in downtown St. Albert remains 'as is' although the issue was on Monday's committee of the whole agenda for further discussion.

Bylaw 44/72, which would delete angle parking in the downtown area received first reading in September of last year. This bylaw was coming back to council for public hearing and possible

ratification, however, the issue was tabled on a motion by Mayor Gibbons because the downtown businessmen failed to be present at the hearing.

In speaking to his motion, Mayor Gibbons said that downtown businessmen ought to be present and participate in the public hearing before council proceeds with this bylaw. The tabling motion was carried.

Chief/Superintendent W. W. Peterson presented Terry Jwaszko Grade 12 student with the RCMP Centennial Essay Award Monday night. Miss Jwaszko was also the grand prize winner of an all-expense-paid trip to Regina Depot Division. Sharing in this prize is Gerald Langevin who could not be present when this picture was taken. At right is Sgt. John Clark, RCMP Commander of the St. Albert detachment and at rear are seen three of the members of the honour guard.

RCMP Awards Night Marks Finale To Essay Contest

An estimated crowd of 150 residents of St. Albert, including high school students and dignitaries from both school systems were bedazzled by the color and decorum of the RCMP Awards Night held Monday in the Paul Kane Theatre Area.

The special occasion was to mark the finale of this town's RCMP Centennial Essay Contest. Like Hollywood's Academy Gala, distinguished students from grades one to 12 each received an RCMP plaque for submitting the best essay in the centennial project.

Sgt. L. E. Rheault of the St. Albert detachment was master of ceremonies. After extending a cordial welcome to all dignitaries and guests, he introduced Chief/Superintendent W. W. Peterson, officer commanding Edmonton subdivision; Sgt. John Clark, St. Albert det-

achment commander and the six members of the honour guard: Corp. D. Vars and Constables G. Simmonds, L. Johannes, J. Brecknock, R. Stewart and W. Balston.

Then Sgt. Rheault introduced all six members of

the Essay Contest Centennial Committee: Mrs. Sylvia Walsh, Mrs. Muriel Martin, Elmer Gish, Corp. D. Vars, Const. G. Simmonds and Const. R. Stewart. On behalf of the detachment,

Three vehicles damaged

An accident Tuesday morning on Perron street resulted in minor injuries to one driver and damages estimated at \$1,700 to three vehicles. St. Albert RCMP said that charges are pending.

A Volkswagen, driven in a northerly direction down Perron street collided with a Mustang which was in the process of backing away from the eastern curb - on Perron street. The collision caused the Volkswagen to swerve across the street and come to rest against

a half-ton truck parked in front of the Bruhn Inn.

Const. Robert E. Wright of the St. Albert detachment investigated the accident. The driver of the Volkswagen suffered minor injuries and was treated at the Sturgeon General Hospital.

The Volkswagen suffered about \$800 in damages, about the same amount to the Mustang and the half-ton truck will require about \$100 in repairs to its left door panel.

Constable John Lindsay of the RCMP St. Albert detachment inspects a Smoky Lake patrol tent site at the Tamarac Area Jubilee Camp held last weekend at Mico-We-Ko-Win campsite near St. Albert. Constable Lindsay visited every tent Saturday afternoon and presented each of the Guides and their leaders with souvenir RCMP Centennial pins in blue and gold.

A lone motorist Tuesday afternoon failed to complete a left turn on a green light at the Trill and St. Anne Street intersection. An oncoming tandem gravel truck hit the car with a resounding broadside, sending it spinning onto the divider. The truck came to an abrupt stop against one of the traffic light standards, felled it while smashing the front of his vehicle. Damages are estimated in the thousands of dollars but no injuries were reported. Above are town employees and the truck driver clearing the site of the accident while two RCMP officers directed traffic around the accident scene. The driver of the automobile has been charged.

the firm had done similar studies for Edmonton, Calgary and Vancouver and were retained to for feasibility studies along the same lines in both provinces of Alberta and B.C.

Mr. Thompson of Kates, Peat, Marwick & Co., concluded the presentation, with the assistance of Charles Clapham by describing to members of council that their report is not simply turned in at the end of the recreation study. "We report to council periodically while the work is being done," Mr. Thompson said "and while doing so, we attempt to not only keep council informed of our progress but also solicit input as we're going along." Mr. Thompson concluded by saying that his firm has found, over the years, that this method of operating proved to be most satisfactory to all parties concerned.

Deputy-Mayor Bob Hudson informed both consulting firms at the end of their submissions that a recommendation will probably evolve from the committee meeting and each would be advised accordingly.

From two until five o'clock was an informal time for visiting, games, exchanging autographs or nature hikes. Visitors during this time included Mrs. Gladys Michaud, provincial camp commissioner of Edmonton, St. Albert MLA Ernie Jamison and Shirley and Constable John Lindsay of the RCMP St. Albert detachment. Greetings were relayed to the campers from Prime Minister Pierre Trudeau, MP Marcel Lambert, Mayor Ray Gibbon, Provincial Commissioner Mrs. Beatty, and Helen Gurd, chief commissioner from Ontario.

Carol Wilcox was back again to take charge of the evening campfire, with the assistance of the cadet, senior girls training for leadership. Father Jake Joly dropped in on the campfire for awhile.

After flag raising at sunrise Sunday, wash up and breakfast it was time to begin breaking camp. At 12:30 mass was said by Father Joly, followed an hour later by the Guides own service. Mrs. Kay Garvin, St. Albert camp advisor was a visitor.

For the grand finale horseshoe many parents were on hand and enjoyed the moving spectacle as Guides in patrols of six formed a huge horseshoe through a drill manoeuvre with the open end stopping before the flag. Thank yous were said to camp nurses, registrars, guiders, town staff and Scouter Don Horne who received a big ovation for his tremendous assistance through the three days. After three rousing cheers Jubilee Camp ended with all the campers linking arms in the horseshoe for the song 'Make New Friends.'

Those in charge were experienced camp guides Evelyn Fraser of Gibbons, Pauline Vaugeois and Rena Years of St. Albert and their

other source. "The situation had been unbelievably heartwarming," said Rena Yaza. "The Town of St. Albans were fantastic!" She said Claude Valliere made certain there was "no way we would run out of water" - after filling the tank the town had supplied he would even drive around the test sites filling containers - and he made many trips. The large garbage wagon supplied by the town was also a "blessing." Louis Martineau checked three times Friday evening to see if we might require the arena should the rain get worse. Don Horne helped in a thousand ways. Wren O'Hara, division commissioner and Marion Kay, district commissioner assisted. Mary Smith and Lisa York took registration Friday night. "Johnny" on the Spot was most cooperative. Maxine Brostrom, in charge of the nursing station and records worked very hard, and the RCMP just couldn't have been more helpful with their regular patrol check-up service and the visit of their officer on Saturday.

Visiting Jubilee Camp and talking to the organizers, leaders and particularly the guides, one came away certain that it was both a lot of fun and a rewarding experience for everyone involved.

Sgt. Rheault thanked the committee for 'a job well done.'

Following the formal introductions, the master of ceremonies requested a moment of silence from all those present . . . In honor of Const. Terry Langford who passed away last Tuesday. He was a member of the St. Albert RCMP detachment.

Mayor Ray Gibbon presented Const. G. Simmonds with a plaque, on behalf of the Town of St. Albert in recognition for the vital part he played as a member of the Centennial Committee. Sgt. Rheault, on behalf of the local detachment presented Mrs. Sylvia Walsh with a plaque bearing the RCMP crest and the inscription "In Appreciation." Other presentations included three awards made by Mr. C. Schroder, chairman of the No. 6 School District to Corp. D. Vars. and con-

stables Simmonds and Stewart. In turn, Mrs. Walsh presented Sgt. John Clark, St. Albert RCMP detachment commander with a plaque on behalf of both school systems.

Highlights of the awards night was the presentation of plaques by Chief/Supt. W. W. Peterson to deserving essay writers from both school districts. After all 24 awards were made, two grand prize winners were then announced: Miss Terry Jwaszko and Gerald Langevin, both Grade 12 students who submitted the best essays and will be going on an all-expense-paid trip to RCMP Depot Division, Regina.

Following the presentation of awards, a 20-minute color slide review was shown depicting the history of the RCMP. This concluded the RCMP Centennial Awards Night.

Help appreciated

The Editor:

It would be very much appreciated if you could publish a most sincere "Thank You" to two good Samaritans for their very kind help on Monday, May 28 shortly after 1 p.m. when my car became very soggy during all the heavy rain and simply quit on Sir Winston Churchill near Gresham while I was on my way home to lunch. The first young man must have become very wet after trying to start my car and going to and fro in the down-pour. Another gentleman stopped to help and both stayed beside me until I finally did manage to move sluggishly on.

Between embarrassment and concentration on trying to get moving I'm afraid the thanks were forgotten until too late, but I would very much like them to know how much I appreciated their support in my "crisis" situation.

Marion McGee.

There really is a sense of pride in paying taxes. The only thing is, we could be just as proud for half the money.

Family honours MacPhersons on Silver Anniversary

Dr. Archie MacPherson and his wife Eleanor share a joke as they prepare to cut their Silver Wedding cake at a party hosted by their children in the Legion Hall. (Image Photo)

Anne, Marilyn and Terry MacPherson arranged a delightful surprise party for their parents, Dr. Archie and Eleanor MacPherson, Friday evening, May 18, on the occasion of their 25th wedding anniversary. Shortly after seven o'clock the MacPhersons and their neighbors, Mr. and Mrs. John Collins stopped at the Legion Hall, (presumably on an errand for John) on their way out to dinner in town. About a hundred people were ready with "Surprise - Happy Anniversary!"

Head table guests were introduced during dinner by master of ceremonies Don MacDonald: Anne MacPherson, Mrs. Thurber, mother of Dr. MacPherson, Archie and Eleanor, Mrs. Bjellén, Eleanor's mother, Marilyn and Terry MacPherson, Pev and Mrs. Len Musto and Eleanor MacDonald.

Mr. MacDonald who had known the MacPhersons since university days back in Nova Scotia traced their progress briefly through 25 years, sprinkling his remarks with a delightful variety of anecdotes. He recalled a rugby game when a tangle with Archie, playing for Acadia University in Wolfville, put him on crutches for six weeks. And how a fondness for rockers, which still endures, earned for Archie the title of "Rocking Ghost of Tower Road" in days when he earned money babysitting as a radiology student.

The war years brought Dr. MacPherson west, where he became a pilot officer. Asked by his commanding officer if he would be interested in the fleet Air Arm, Archie replied "Hell no - I have enough trouble finding the ground." Don also had a story about Eleanor, One year Archie had a summer job in construction, so that he was not always in the most meticulous attire. Glancing out the window one afternoon Eleanor remarked to her mother "Who's that bum coming down our street?" It was Archie.

"One of the nicest things about this occasion" said Mr. MacDonald in conclusion, "is that the children arranged it without their parents knowing."

A professional colleague in radiology was informed that arrangements were confirmed by a message from a technician reading "India giving blessing to new church" in case Dr. MacPherson might discover the plot.

Speaking in reply, Archie said he was glad to have the two mothers present - and "my horrible children!" "I wouldn't want them to get to the point where they were too good," he said - "it would put me in an awkward position. It is wonderful also to have friends over 10 years in St. Albert with us, and colleagues in radiology. With my lovely bride I am now looking forward to the next 25 years."

Telegrams were read from Halifax, where the MacPhersons were married and from Wolfville.

Later in the evening, during the dancing even the MacPherson dog was brought in - to share in the proceedings if only for a moment.

John Collins presented the honoured couple with a gift

"from all these beautiful people". It was a handsome plaque bearing the MacPherson coat of arms and heraldic emblems.

Huck Finn School a wilderness holiday

Now that the present school term is quickly coming to an end, parents may be wondering what would be a good way for their boy or girl to spend a few weeks during the summer holidays. If you have youngsters between the ages of 8 and 15, perhaps the Huck Finn School would be the answer.

The Huck Finn School was conceived as a holiday-learning facility by Gary Cooper, well-known outdoorsman and former writer with The Edmonton Journal. Gary had numerous occasions to visit the rather unique outdoor sport facilities at Silver Summit Alpine Village, located about 30 miles north of Edson. Mr. Cooper has had a deep feeling of affection for this facility and its locale ever since Silver Summit opened a few years ago. Since then, he has been trying to formulate a plan which would involve youngsters and this beautiful wilderness area. Suddenly, the inspiration hit him... "why not share this beautiful facility and all the surrounding area has to offer, with the youngsters of Alberta?"

...that's when the Huck Finn School concept was conceived.

Now that Mr. Cooper has joined the ranks of the freelance writers, he feels he and his wife Donna have the time to operate Huck Finn and thereby, make a lot of

boys and girls not only happy but more knowledgeable of the outdoors. The proposal is to cater to boys and girls in groups of up to 120 and teach them the interesting fundamentals of the outdoors. The sessions will be held on a weekly basis while the students take part in a complete range of activities.

Enrolment fees, transportation and the such will have to be ironed out with the parents, however, the program includes just about everything a person ought to know to appreciate our Alberta wilderness and enjoy its hospitality with confidence and safety. Gary and Donna will share supervisory duties as well as sessions of instruction. Resource personnel will also be on staff to instruct specialties, such as water safety, horsemanship, tying fishing flies, forestry, first aid and the such.

Mr. Cooper, a hunter, fisherman, camper, and good general all-around woodsman said that his Huck Finn School will show his holiday-students what its really like to be a Hickie-berry Finn. "And this does not exclude girls," he said, "because our program of events will be designed in such a way whereby both boys and girls will be able to enjoy and learn how to become a Huck Finn and

love it."

Silver Summit Alpine Village accommodates up to 120 persons and offers excellent facilities for boys and girls while ensuring both groups with all the privacy they wish. Silver Summit is located in one of Alberta's most beautiful wilderness tracts of land. It's nestled amidst rich stands of evergreens, laced with unnamed streams, dotted by unnamed lakes and the entire territory abounds with wildlife.

"You couldn't find a more beautiful place in which to teach young people how to enjoy the environment in

its natural state," Mr. Cooper exclaimed. He then described some of the adventures his young charges will be involved in and these include hiking, trail riding, canoeing, fishing, overnight camping, cook-outs also nature study expeditions.

For more information phone Gary Cooper, a resident of St. Albert at 459-7873. Parents have the option of enrolling their youngsters now for the summer holidays for one, two or more weeks and either include bus fare to Silver Summit or drive over during the weekend.

Grand Knight George Hartmetz displays the Knights of Columbus Fraternal Award, won this year by the St. Albert Council and presented at the K.C. convention in Olds last weekend. The award is presented annually to the Council judged as doing the most to promote brotherhood and fellowship among Knights throughout the Province. Seated at right of George is the guest speaker at the banquet, Heather Morris of Toronto.

Knights receive award

The Knights of Columbus members attending the provincial convention in Olds, Friday, Saturday and Sunday brought home the Fraternal Award, a first for St. Albert Council. It was presented by Provincial Deputy, Brother

Picco at the banquet and dance Saturday evening.

The choice of speaker for the convention marked the first time for the provincial body to have a woman as their main speaker, and the first time such a speaker

was Jewish. Dr. Heather Morris, president of the Alliance for Life in Toronto, spoke to the convention on respect for life and the abortions. "She was a terrific speaker, one of the best I have heard," said Al Aladin, "a little woman, but she really comes through!"

Attending from St. Albert Council were Grand Knight George Hartmetz, and Al Aladin, voting delegates, Steve Kalita, Steve LeBlanc, George Weller, Guss Hoffart, Eric Bokenfohr and Father Tony Keroack. They were accompanied by their wives, with the exception of Mrs. Hoffart who was not able to go.

Presidents Ball goes over well

Legion members and their guests enjoyed a great evening Saturday at the Club Mocambo on the occasion of their first annual President's Ball. President Denny Taylor was on hand to welcome everyone, present a corsage to the ladies, and offer a glass of punch.

The Legion's special guests for the evening were piped in to the head table by piper Don Simpson, and later introduced by President Taylor. Representing the St. Albert Council, Knights of Columbus, were Richard Adamkiewicz, Deputy Grand Knight elect, and Mrs. Adamkiewicz; Harry Cochrane, president of the St. Albert and District Chamber of Commerce and Mrs. Cochrane; Lynne Calkins, president of the St. Albert Kinetite Club and Mr. Calkins; Eileen Gillard, 1st vice-president of the Ladies Auxiliary to the Royal Canadian Legion, Mr. Jack Garrett, representing the St. Albert Lions Club, Doreen Robinson, president of the St. Albert Women's Institute and Mr. Robinson. The Community League and Breakfast Lions Club were unable to be present. Mr. Taylor also introduced M.L.A. Ernie Jamison and Shirley, and Percy Rosstier of Provincial Command and his wife Kay.

Lynn Calkins presented the Blood Donor Clinic trophy to President Denny Taylor of the Legion, on be-

half of the Kinetite Club. The St. Albert Kinsmen purchased the trophy for the Kinetites this year, and it will be up for annual competition among local clubs and organizations. Club members plus residents requested by them to support the drive, present cards with the clubs name when they come to the clinic. Mrs. Calkins reported that 245 pints of blood were donated and the Red Cross were pleased, and to the St. Albert Legion, first winners of the trophy, "Bloody well done!" concluded Lynn.

President Taylor reported briefly that this has been a good year for the Legion—and one that saw the branch become more involved in the community. He also pointed out that all the head table guests were doing fine work in the community, prompting a hearty round of applause.

Asked to make the first draw for the many door

prizes, Lynn Calkins pulled her husband Fred's name from the drum. Kay Rosstier and Doreen Robinson also won early bird draws, before Vern Hittinger's band, "Three Lads and a Lass" got the dancing underway.

Winner of the big Mik was Tony Schlavon and Harry Cochrane picked up the little one. Other prize winners included Bob Atkinson and Doreen Robinson.

Mr. Taylor announced upcoming summer events for the Legion: the June 4 Auxiliary Bingo, last of the season, the draw for the Camper to be held on the Mall June 23, with proceeds to the polo fund and other charities; the Auxiliary Money Doll (\$100) in June and the annual picnic at the Karl Hanneman farm, slated for August 4-6.

The crowd of 135 kept the dance floor crowded as the band played a popular variety of favorites, backed up by their fine young vocalist.

Qui Barre trio wins 3 places in B.C. championship

Glenn Fisher, Dale Schafers, and Dale's mother, Martha, flew to Vancouver on May 18 to take part in the Canadian International Horseshoe Pitching championship. In the round robin play with a class of eight boys, Glenn suffered his only loss of the tournament at the hands of his club-mate Dale.

Dale lost his first game to the defending champion Louis Hafford. This put the standings in a three-way tie so Dale then took Hafford out and was pitted against Glenn. Glenn won it in a very close game to become junior champion of B.C. for 1973 with a ringer average of 64.9 per cent and Dale picked up a close second with a ringer average of

61.1 per cent.

The two boys are anxiously awaiting their trip to Eureka, California, the site of the 1973 world tournament where they will make their bid for the world title.

Martha entered the ladies class and through her fine effort, nailed down second

place, winning a beautiful crest and \$15 cash.

Seven PK track stars head for Provincials

On Saturday, May 26, Paul Kane High School's track and field team successfully competed in the 12th annual North Central Alberta High School Athletic Association Track and Field Meet held at Centennial Park in Strathcona County. The North Central Zone meet determines qualifiers to represent this area at the Provincial High School Track and Field championships to be held in Calgary on June 1 and 2.

In all events Paul Kane athletes finished the day with eight first place medallions, five second place finishes and four thirds. Individual outstanding performances include Bruce Peguin who won the 100m and 200m as

well anchoring the Sturgeon Conference intermediate boys winning relay team; and Maureen Anderson who won the junior girls javelin and placed second in the shot and discus. Dianne Atkinson led all junior girl sprinters winning the 50m and placing second in the 100m. Dave McCann ran away from the field in placing first in the junior boys 800m. Melvin Gullberg, another fine junior runner, finished second in the 1500m. Lee Van Fossen also finished second in the intermediate boys 120m hurdles.

During the cool, windy day only five North Central Zone records were broken, two of them by Paul Kane.

Perhaps the most outstanding efforts of the day were those of field star Jim Hole who smashed records in both the intermediate boys shot and discus. Jim's discus throw of 127' 0" eclipsed the old mark of 125' 7" set by Gary Bredin of Warburg in 1965 and Jim's shot put shattered the record of 41' 2 1/2" set by Earl Berg of Paul Kane in 1971 by 3' 3".

After the meet was completed a total of seven Paul Kane athletes had qualified to represent St. Albert at the Provincials in Calgary this weekend.

Honorable mention should go to Guy Hill, Helen Anderson, Suzanne Jewitt and Doug

Geres who placed third in their events and missed the provincial finals by only fractions of a second.

Final conference standings are as follows: Parkland, first, 198 points; Strathcona second, 181 points; Sturgeon, third, 130 points; Pembina, fourth, 127 points; Athabasca, fifth, 76 points; and LacSte. Anne, last, 37 points.

Tuesday is Ladies day at Sturgeon

On Tuesday, May 22, 21 hardy gals braved the wind to play the "Bingle, Bangle, Bungle" competition. After the final results were tabulated - Carrie Graham was the lucky winner. Carrie is a newcomer, and the club welcomes her and the many others who have joined this year.

Ladies' Day is every Tuesday, and any lady golfer is welcome to come out at 9 a.m. to 9:30 tee off time. Or 6 p.m. for those who are unable to play in the daytime. Bernice Cook, at 459-7392, or Stevie Donovan at 459-6297 would be glad to supply any information.

Ladies are reminded of the ALGA 23 and over Handicap Tournament. In order to

enter this, a golfer must compete in three consecutive Pin Days commencing May 23. It is also hoped that many will participate in the Lancaster Park Invitational on June 2nd.

Keith family moves to Calgar.

After making St. Albert their home for the past 15 years, Mr. and Mrs. Donald Keith have moved to Calgary.

Mrs. Keith (Elva) was honored recently when many of her friends met at the home of Mrs. Marshall Hill, 22 Sturgeon Road.

Elva has been very active in St. Albert United Church Women, as a member of the general executive and the Catherine Usher Unit of the U.C.W.

Elva has also served on the Presbyterian executive, and served many years as teacher and superintendent of the St. Albert United Church School. Their friends wish them every happiness in their new home.

Robert Kay is the youngster who made the most money for the Kinsmen Skate-a-thon, with \$93. He won a pair of skates donated by St. Albert Sportshop and presented by Ken Pollen, with Gerry Rayburn, treasurer for Kins projects at right. Susan Squires with \$65, won a pair of skates donated by Macleods Store for the girl earning the most money and runners-up Robbie Stewart and Jodi Sneddon, along with Tommy Munroe who had the most sponsors each received Kinsmen jackets. Gerry reports an excellent pledge return of 98 per cent for the project, which realized about \$5,500.00.

Bruin Inn Riders Join Cycle Weekend

Six St. Albert Bruin Inn C.C. riders joined in the Canadian Youth Hostels tour to Elk Island National Park last weekend. The tour was organized by Bob Davidson of the St. Albert Club and was sponsored by George's Cycle.

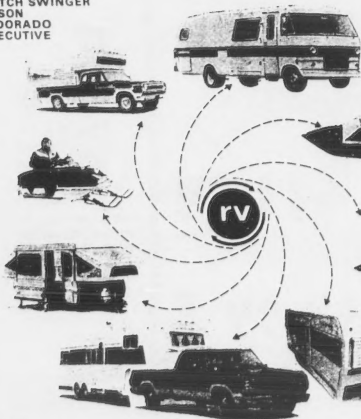

The riders started out from Edmonton at noon on Saturday and, as happened with the Bruin Inn tour last September, they were soaked by a downpour before getting to the youth hostel at

Elk Island.

After drying out, the cyclists watched a film show on cycle racing and some slides presented by the park naturalist. This was followed by a werner roast and a sing-song.

The St. Albert Bruin Inn Club is holding several tours this year including some to Elk Island and at least one to the Rocky Mountains. For details contact Kura Jones at 439-6221.

Rangers earn \$85 in Paint-a-thon

The 12 girls who worked on the Ranger-Guide paint-a-thon last weekend at Poole Scout Camp on Lake Wabamung earned a total of \$85 in pledges by painting the scout cabin, while managing to get a bit on themselves.

They are continuing their fund raising with a rummage sale this Friday from 6-9 p.m. and Saturday from 9 a.m. - 1 p.m. at the Grandin Clubhouse. Donations of fur-

niture, toys, books, clothing and light household items will be appreciated. For pickup please call 459-6952, or items may be left at 31 Greenview Cres. or 11 Garland Cres.

The girls have earned \$1,100 toward their August trip and are working to realize their goal. They will appreciate the support of local residents at their rummage sale.

Annual Inspection brings praise for Squadron 533

Annual inspection of the St. Albert Air Cadet Squadron May 24 drew the comment from Mr. Harold Baby of the reviewing party "This is the most impressive annual inspection it has been my privilege to witness." Mr. Baby represented the Provincial Air Cadet League.

Major J. D. Tupper, reviewing officer commended the dress and deportment of the Cadets and their obvious enthusiasm, saying

they were a well turned out unit. Other members of the reviewing party were Capt. R. Tomchick, area cadet officer, Capt. L. D. Gault, commanding officer of the Squadron, W.O. 1 R. Bondarevich, S.W.O. #533 Squadron, Captain V. Johnson, cadet liaison officer, Ernie Jamison, St. Albert M.I.A., Nick Bondarevich Lions Club committee chairman and Dick Ryley, president of the Lions Club, sponsoring body.

Mr. Jamison said he was much impressed with the work being done in the Squadron. It is good to know that you young people are learning self discipline, adding that the leadership training in good citizenship which they are receiving is another area of the program that pleases him.

Mr. Ryley was warm in his praise of the cadets and their leaders and offered his congratulations. Mr. Bondarevich presented certificates of appreciation to the volunteer instructors and thanked the officers for their long hours of work as well.

Commenting on the display by the Drill Team in both compulsory and precision (without command) movements, Mr. Baby said "This is a shining example

of I expect an air cadet squadron to be."

Major Tupper presented a Commissioning Scroll to Capt. Gault, and the captain presented commissioning scrolls to Lt. C. Carignan, Lt. F. Maybee and 2nd Lt. W. Hart.

Following the presentations of a variety of awards to cadets the reviewing party left the Arena for inspection of Squadron headquarters in the Community Hall where administration, security, record keeping, procedures and the entire training program were gone over with an exacting scrutiny.

The records reveal that the Squadron has held 37 regular parades, 44 special parades and 38 extra educational tours or field trips in the year ending June 30th.

Public School District Briefs

Office hours at the No. 3 Administration Building will be shortened by half-an hour effective immediately. The board agreed unanimously to give its staff longer evenings, especially during the summer months. Office hours will now be from 8:30 a.m. to 4:30 p.m. instead of the usual 5 p.m. closing time. Chairman Horvish made the motion and it was carried unanimously.

The No. 3 School Board has unanimously agreed to endorse the proposed T. D. Baker Vocational School in principle but will not include the vocational students in the school's enrollment projections. The board felt that the Edmonton Separate School System had co-operated in a very satisfactory manner in past years in providing vocational school facilities to the St. Albert Public School and could not find any reasons to change the existing agreement at this point. Also, the T. D. Baker School is still in the planning stage and it may be quite some time before it becomes a reality.

In his report, Superintendent of Schools Vince Maloney indicated that the Provincial School Buildings Board appears to be "mellowing toward issuing a building permit for a new elementary-junior high

school for the No. 3 system. However, Mr. Maloney said, much more time will have to be spent in negotiations before all things are finalized.

Mr. Art Perrott, a member of the ATA Sub-local presented recommendations made by the Policy Handbook Committee regarding amendments to several of the policy clauses. Points touched on leaves of absence transfers within the district assistant principal policy and student suspensions. After considerable discussion on two main points... student suspensions and the assistant principal policy... the Board returned those two recommendations to the Policy Committee for further study and report. The point of contention in the 'assistant principal clause' was the lack of definition of duties also terms of when such an assistant and/or second vice-principal would or should be appointed. The Policy Committee recommended that where there are more than 450 students in a school, the school board shall appoint an assistant principal or a second vice principal. The board objected to the term 'shall' and also wants a clear definition of duties involved in these new appointees.

The other point of contention dealt with Student Suspensions. The School Act, Section 146 clearly defines student suspension procedures, however, the Policy Committee inserted supplementary clauses designed to facilitate terms of suspension of a student from a particular course. The board agreed with the terms up to the point where the student's destiny would have been left with the principal, parent, teacher and student. The board added another

proviso which reads:

"The principal may admit a pupil but in the event of refusal, the parent may lodge a formal appeal to the Board."

Business administrator Ted Baldwin reported on several topics of business including the final draft of the 1973 school budget. He recommended that the board appoint a finance committee to meet with government officials and discuss a couple of sensitive points which have a direct bearing on the 1973 No. 3 School District millrate.

Mr. Baldwin also announced two portable schools will be brought in to help ease the overcrowding at Father Jan School. Mr. Baldwin then asked the board for more directing regarding landscaping of the Albert Labcombe School play area. He pointed out that trees have been cleared and now levelling must be done to make the play area safe and attractive. Two alternate plans are under consideration, one would thoroughly landscape the area to a completed standard while the second alternative would be a partial job. The board recommended that a firm plan be brought back at the next meeting, including costs.

Local Cubs win at Car rally

1st St. Albert Cubs had two prize winners in the annual Woodwards Cub Car Carnival held Saturday at Woodward's malls.

Paul Esslinger of 69 Springfield Crescent won 1st place in the 'best looking car' category at Westmount Mall and Paul LeCorre placed 2nd in the same category. Paul Esslinger, 10, was awarded a 10-speed bike, a trophy shield for himself and one for his pack, St. Andrews.

Paul LeCorre, age 9 of 141 Grosvenor Blvd., won a tent. Paul is in St. Patrick's pack.

Thirty-seven Cubs in Edmonton competed at the Westmount Mall. The boys work out their own original designs from a block of wood with a maximum weight of five ounces. Both Paul's had models weighing three ounces. Following the design judging the cars are raced on a special track with automatic starter, with prizes for this category as well.

Pack leaders are Jim Parker for St. Patrick's and Jack McKinley for St. Andrews.

Two 1st St. Albert cubs won first and second place in the Best Looking Car category at the Woodward's Cub Car Carnival held Saturday at Westmount Mall. Paul Esslinger, left, won first place and a 10-speed bike, plus engraved plaques for himself and his pack. Second place winner, Paul LeCorre won a tent for his design.

CARD OF THANKS

Hearty congratulations to the Legion on winning the Kinette Blood Donor Trophy. We wish to thank all the other organizations and clubs who participated in this competition. Most of all, our sincere thanks and appreciation to the 258 citizens of St. Albert who gave "the greatest gift of all - the gift of life."

ST. ALBERT RECREATION HIGHLIGHTS

SWIMMING:

The schedule which was published in last week's Gazette is now in operation. Because of the use of the pool by the schools under the terms of the Joint Use Agreement and the regular Red Cross classes now underway, public swimming is somewhat restricted during the week. However, during July and August lessons will be held in the mornings and there will be public swimming every afternoon. Family sessions are being held at weekends; lessons during the week will be added to the schedule for July and August. On Sunday, June 3, anyone wanting to use skin-diving equipment in the pool may do so from 9 - 10 p.m.

Those who were unable to register for the June lessons are reminded that sessions will be held in July and August and separate registration days for these will be held.

Applications for season tickets are available at the Town Hall. The cost for residents is: Family \$36, Adult \$14.50, Student \$12, and Child \$8.50.

TENNIS:

The lessons organized by the St. Albert Tennis Club are progressing well. The weather has been reasonably kind and the classes will soon be over.

A tournament for junior members of the club will be held on Saturday, June 2. Registration will be between

12:30 and 1 p.m. and play will start at 1 p.m. The courts will not be available to the public until the first rounds have been played off. The format of the tournament will depend on the numbers competing. Consideration will also be given to different age groups if there are enough participants. Please be prompt for registration.

In inter-club matches last week, the B-1 team beat Garneau by seven games to one, the team consisting of Alexandra Kincaid, Shannon Foran, Al Hoge and Jay Taylor. The A team lost to Garneau by three games to five, the team being Cynthia Sage, Betty Ontkane, Clark Warren and Fred Padol.

Ladies who want to make sure of a game without making prior arrangement can get together at the courts on Wednesday, June 6 between 1 and 3 p.m. and on Wednesday, June 13 between 9:30 and 11:30 a.m. After that the schools will probably not be using the courts and ladies' morning will revert to Tuesdays between 9:30 and 11:30 a.m. All ladies welcome.

MEN'S KEEP FIT:

Several men interested in getting and/or keeping fit are meeting at the Clubhouse (beside the swimming pool) at 7 a.m. in the mornings prior to a jogging session. This combined with a swim afterwards in the pool can really set the businessman up for the day! The program (very unstructured) is sponsored by the YMCA.

District Zone Chairman, Lion Ken Moore shakes hands with Betty Thronsdon, new president of the Lady Lions following his installation of the officers at the Ladies May meeting. Dodie Kimball, secretary, is at left, Elsie Snider, 2nd V.P. is next to Betty and Sadie Ross, 1st V.P. is at right. Missing are Treasurer Olive Keyes and 3rd V.P. Raymonde Brunelle.

Lady Lions elect officers

The May meeting of St. Albert Lady Lions was held at the Purple Dade on May 14th.

Lion Ken Moore was present and very capably installed the new executive as follows: Betty Thronsdon, president; Sadie Ross 1st vice-president; Elsie Snider 2nd vice-pres., Raymonde Brunelle, 3rd vice-president; Dodie Kimball, secretary; Olive Keyes, treasurer.

Shirley Parkin reported for the Camp Committee that funds are available and plans nearly finalized to send five children to the Camp for the Handicapped.

This shows just part of the Chilliwack Band which thrilled St. Albert audiences throughout last weekend. The talented B.C. youngsters arrived May 24 and gave their first concert in the Lion Bandshell that same evening following a barbecue. Their next engagements (after a restful night spent in the homes of generous St. Albert citizens) kept them busy playing for school audiences from both districts. Saturday was kept open for a visit to the Provincial Museum before they took the train for their return journey. Director of the 101 member band was Campbell Vincent and his assistant was Dale War.

The Leo Nickerson Oratorical Contest came to a successful conclusion recently with the above six students receiving top awards in each grade. Back, left to right Theresa Jones, Grade 5 whose topic was 'Bananas', Cathy Jones, Grade 5 spoke on 'Going to the Dentist' while Shukry Mustaklem Grade 4 talked about 'A Shopping Trip'. Front, left to right: Malcolm Jones, Grade 1 gave an interesting talk on 'Racoon's', Shelly Findlater, Grade 3 kept her audience in stitches when she talked about 'The Day I Got Out of the Wrong Side of the Bed'. The Grade 2 pupil, Terry Bulley talked about 'Giant Pandas'. All of the six finalists received a plaque like the one held by Shelly Findlater shown above front centre.

Two cheques totalling \$1,176.14 swelled the St. Albert Parish's funds raised within the community again this year for The Third World. Father Collin Lovangie looks approvingly as presentations are being made by two students attending Vital Grandin School. At left is Mrs. Tricia Young, chairman of the parish education committee receiving \$767.64 from Dean Biollo. This sum represents net proceeds realized from the Vital Grandin Flea Market. Next is Elaine Dowell, a Grade 7 student at V.G. handing a cheque of \$408.50 to Sister Aline Prince, parish worker for the education committee. This sum was realized from the Starve-a-thon. These and other funds go toward education of peoples in the Third World... helping them to help themselves.

Around Town

Two little girls in St. Albert held their own project in the interest of community service. Jennifer Dawson of Linwood crescent and Tracie Collins of Larose Drive, held a penny carnival and raised \$3.50, which they left at the Sturgeon General Hospital to buy coloring books and crayons for children. Well done girls!

BIKEATHON REMINDER

The Bank of Nova Scotia, Toronto-Dominion and the Credit Union are all accepting pledge money for the Lions Bike-a-thon. A fair percentage of the \$2,500 pledged has already been deposited. The other riders are asked to make an effort to complete their collections and help finalize this worthwhile project.

No. 3 School District Trustee Mrs. Sylvia Walsh who was also one of the originators of the Essay Competition idea is seen presenting Sgt. John Clark, commander of the St. Albert RCMP detachment with a plaque. The presentation was made on behalf of both school districts, at Monday's RCMP Awards Night.

The British "Penny Black," the world's first adhesive postage stamp, issued in 1840, is neither the most expensive nor the rarest stamp sought by collectors today. A number of the 64 million "Penny Blacks" that were printed survive in stamp albums.

Turbo Resources Limited a rapidly-growing western Canadian petroleum company has included a new retail gasoline outlet at 1310 St. Albert Trail in its expansion program. Bonaventure Turbo, leased by Jim Mayo and Jerry Valente will

mark the grand opening of this new outlet May 31 until June 2.

Turbo Resources Limited has a total of 145 retail gasoline outlets in Alberta, British Columbia and Saskatchewan. In addition to its gasoline and oil marketing, Turbo Resources is presently expanding with growing emphasis, its oil and gas exploration and production program. In recent months, to take advantage of the expected strengthening of

the Alberta petroleum resources market, Turbo has acquired interests in Twin Richfield Oils Ltd. and Golden Spike Western Petroleum Limited which increases its reserves. In addition to these recent acquisitions, Turbo holds interests in 14 oil and gas producing properties in Central and Southern Alberta as well as more than 23,000 acres inland holdings. These holdings and acquisitions ensure Turbo Resources Ltd. the ability to supply its retail outlets and continue with its expansion program toward British Columbia and Manitoba.

Turbo's new Bonaventure gasoline outlet brings up the total of Alberta stations to 108 while in Saskatchewan Turbo has 25 outlets and in B.C. 12. Besides this network of 145 oil and gasoline marketing outlets in western Canada, Turbo owns an Edmonton plant for blending and packaging oils and chemicals.

Wholly-owned subsidiaries and business of Turbo Resources Ltd., include: Turbo Refineries Ltd., Turbo Chemicals Ltd., C.C. Snowdon Ltd., Parkland Oil Products Ltd., Freeway Transport Ltd., Brulsma Bros. Holdings Ltd., Pay-N-Save Petroleum Ltd., Stop-N-Save Petroleum Ltd., Peerless Chemicals and Velvet Oil Company. Bonaventure Turbo loca-

ted just south of St. Albert is operated by partners whose combined experience in the business totals 18 years. Jim Mayo who is still single has already logged eight years in the gas and oil retail business including service station mechanical work. His partner, Jerry Valente is married and the proud father of three youngsters, two sons and one daughter. Jerry has 10 years experience in the business, holds a mechanic's proficiency license for British Columbia and is about to obtain his Alberta journeyman papers.

The partners are presently negotiating with a qualified full-time mechanic, who they expect will be on their staff soon. In addition to gasoline and oil, Bonaventure Turbo stocks 'everything for the motorist' including tires and auxiliary merchandise.

Residents of this area are urged to note Bonaventure Turbo's grand opening to be held May 31 to June 2 when door prizes and give-aways will be up for grabs.

Course leads to Writers Guild

Pencil pushing, typewriting, pounding, hair pulling and dictionary searching have been activities in some district homes recently as members of the newly formed Sturgeon Writers' Guild prepare for their weekly classes.

The St. Albert Cultural Co-ordinating Committee and the St. Albert Public Library are currently sponsoring a creative writing course at the library on Wednesday evenings. At their last meeting, the 17 members agreed to form a Writers' Guild which will continue to meet after the course is completed.

Instructor of the 10 week course, Mrs. Margaret Johnson, assigns general topics to the members who prepare their pieces at home, present them to the class for discussion and

to Mrs. Johnson for professional criticism. Some promising writing has already been received and it is anticipated that some members will have sold articles for publication before the course is completed.

Anyone interested in more information about the Writers' Guild can contact Mrs. Florence Lefebvre at 456-7030.

"Cash-Flow is the modern way to borrow, based mainly on what you earn — not what you own."

Says Robert D. Thomas,
TD Manager, St. Albert

To get a loan, a few years ago, you pretty well had to own things—like a house, or bonds, or other securities.

Now, however, times have changed. And at Toronto Dominion, we're glad of it.

Today, when you come to us for a loan, we look at your earnings and expenses—or what we call your "Cash-Flow".

To work out your Cash-Flow, simply write down how much you earn, and how much you pay out in fixed expenses. What's left over is the money you can afford to spend, or save, or pay back in instalments when you want to borrow.

Cash-Flow is a realistic guide to how much you can comfortably borrow. It can put the things you want within your reach.

For help in working out your Cash-Flow, see us any time. We'll show you how you can put it to work to get those things that are important to you.

Leo Nickerson PTA Refused Gym For Wine - Cheese Party

St. Albert's Separate School Board voted 3 - 2 against a motion by Trustee Jim Wiltshire re: that the Leo Nickerson Parent/Teacher Association be allowed to hold a wine and cheese party in the Leo Nickerson School. The proposal came before the Board's regular meeting May 9 and after considerable discussion, Trustee Wiltshire gave notice of motion which came up for the vote last Wednesday and was defeated.

The whole plan came to the surface when the Leo Nickerson PTA decided to hold its annual rummage sale and thought that this event could be enhanced by a wine and cheese party. The PTA reasoned that such a function could be held in the Leo Nickerson School and probably encourage new memberships. The ultimate aim of the rummage sale proceeds are for outdoor education projects for students of the No. 6 System.

Once the proposal hit the school meeting of May 9, objections to the idea of serving intoxicants in school were eloquently registered. The first part of the objection was that the school policy would have to be amended if the board agreed to the Leo Nickerson PTA request. The second part of the objection dwelt on the premise that such a change in policy would create a precedent and could lead to drastic problems. In view of the seriousness of the proposal, Trustee Dr. Cuts managed to push a motion through, whereby public opinion must be solicited before a decision is reached. This motion was carried and Trustee Jim Wiltshire followed through with a notice of motion for the June 23 meeting.

Present at the Wednesday meeting of the No. 6 School Board was Rev. Leonard Musto of the St. Albert United Church who spoke to

the petition he tabled with the board. In his brief talk, Rev. Musto made it abundantly clear that he and the dozens of residents who signed the petition opposing to the consumption of intoxicants in schools, were not against outdoor education and means to raise funds for these activities

but simply not in favor of allowing intoxicants in schools. Rev. Musto qualified the petitioners' stand by saying that such an amendment to the school policy and the relaxing of regulations would certainly lead to future complications and therefore urged the board to "weigh their decision carefully."

Three other petitions were submitted in opposition to the motion. One each from Rev. Noel Gordon of the Braeside Presbyterian Church, Rev. R. O. Olson, St. Albert Evangelical Lutheran Church and another petition from the staff of Paul Kane High School.

After the petitions had been perused by all members of the board, Chairman C. Schroeder called for discussion from the board members. First to speak was Trustee Bill Webber who started off by saying that he opposed the motion to hold events, such as the proposed wine and cheese party in schools. "I'm opposed to this concept because I firmly believe we must put our schools to a better use than to promotional disuse than to promotional drives at which intoxicating beverages would be served," he said. For such functions, Trustee Webber suggested that other facilities in St. Albert ought to be used.

Trustee Don Munro explained that he favored the motion because, "in my opinion, a school is just a building after school hours and ought to be available for functions such as the

one proposed by the Leo Nickerson PTA." Trustee Munro explained that the executive of the Leo Nickerson PTA could not be present at the board meeting because all members were at the moment making arrangements for their rummage sale. "However," he said, "the PTA is anxious to obtain permission to hold this wine and cheese party along with the rummage sale and thereby raise funds to help defray costs for the outdoor education program." Trustee Munro concluded his remarks by urging the board to consider opening up schools in a more expanded joint-use concept.

Trustee Dr. W. Cuts warned the board that sanctioning the wine and cheese party would surely result in more and greater demands on the board for the use of schools. "Now they want to hold a wine and cheese party," Trustee Cuts said, "next they'll want to hold a beer and cheese party and all this will lead to a lot of trouble." Trustee Cuts was most emphatic in his opposition to

the motion. He pointed out that such parties in schools would present problems for supervisors, would probably result in damage to the school by means of cigarette burns, broken furniture as well as questionable conduct by those attending such functions. Trustee Cuts concluded by saying, "we must not compete with the pubs downtown . . . after all we were elected to serve on this school board . . . and not run a pub."

Chairman C. Schroeder said he agreed with Trustee Webber and Cuts and felt very strongly about keeping the school policy "as is and vote against the motion."

Mrs. Shirley McCaffery who was in the gallery asked to speak as a member of the Leo Nickerson PTA. Mrs. McCaffery simply explained to the board that it was not the intention of the PTA to hold wine and cheese parties to raise funds for education, but to introduce a drawing card which might encourage more parents to join the Parent Teacher's Association.

Petty Sieben Wedding

Maureen Sieben, daughter of Mr. and Mrs. Stephen Sieben and Anthony Petty, son of Mr. and Mrs. Norman Petty all of St. Albert, were joined in wedlock in a double ring ceremony conducted by the Rev. Father Jake Joly, on May 26. The spring wedding was held in the St. Albert Roman Catholic Church.

Escorted down the aisle by her parents, the bride was charming in her full length white gown which featured a cathedral train, held in place by a nosegay of red roses. The bridal bouquet was a cascade of large red roses.

Attendants to the bride were Anne Petty, sister of

the groom, Gaine Sieben, sister of the bride, and Carola Cunningham, friend of the bride. The girls chose floor length gowns in blue, featuring short puffed sleeves and white lace trim. Matching wide brimmed hats complemented their gowns and each carried a bouquet of yellow carnations and pink daisies. Flower girls were Carey Sieben, sister of the bride and Pauline Petty, sister of the groom, who wore miniature duplicates of the bridesmaids', carrying held baskets of mixed spring flowers.

Attending the groom were Ryle Sieben, brother of the bride, Eric Oddlefsen and Murray Buer, friends of the groom. Ringbearer was Quentin Sieben, youngest brother of the bride. Guests were ushered by John Petty and Marcel Sieben. Madeline Dauphinals was the soloist during the ceremony.

To receive her guests, Mrs. Sieben chose a floor length gown in blue chiffon enhanced by a corsage of pink sweetheart roses. Mrs. Petty greeted the guests in a floor length gown of blue tulle, complimented by a corsage of pink sweetheart roses.

A reception and dance for some 275 guests was held in the Club Mocambo with Mr. Frank Ackerman as master of ceremonies. Toast to the bride was presented by Mr. Chester Cunningham.

For her honeymoon trip to Jasper and Banff, the bride chose a floor length floral gown.

Out of town guests attending the wedding were from Broadacres, Denzil, Saskatoon, Sask., Vancouver and Calgary. Good luck messages were sent from England, Ottawa, Vancouver and Kelowna.

The happy couple will reside in St. Albert.

C.W.L. to present 'The Right of Life'

A slide presentation entitled "The Right of Life" meeting June 12 sponsored by the Catholic Womens Edmononton chapter of League. The meeting will be

held in the theatre room of the new Paul Kane High School, beginning at 8 p.m. and is open to everyone interested.

Basically a pro-life organization, Birthright originated in Toronto and now has chapters throughout North America. They are trying to offer an alternative to abortion, believing that every mother has the right to give birth, and every child the right to be born.

The slide presentation accompanied by a descriptive commentary, shows various types of abortion operations. Birthright is an entirely voluntary organization, with about 55 members in the Edmononton chapter who operate a 24-hour telephone service for unwed or married distressed mothers. Each member receives an orientation and training program as she volunteers and the organization has an office across from St. Joseph's cathedral. It is entirely funded by personal or group donations.

The volunteers follow up each call, keeping in close

touch with the girls and women, with the emphasis on a personal, rather than professional approach. "We have more time for talks with the women and often find that their real need is to talk problems out with an interested woman," said Flo Billse, a St. Albert member of the organization. Women who are unable to help at the office are most useful in answering the code-a-phone service, driving people to doctor's offices, gathering layettes and similar services.

There is an on-going education program constantly being carried on. When requests began coming in for speaking engagements a committee of two: Mrs. Bernice Ward and Mrs. T. O'Connor was formed. Mrs. O'Connor has also served on a number of radio panels and shows. Arrangements have been made for speaking and slide presentations in schools when requested, and for points outside Edmononton. Birthright has been in operation for a little more than a year in Edmononton.

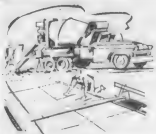

While visiting at the home of her daughter, Kathleen Swanson in Port Moody, B.C. Mrs. Margaret Raymond was able to get a four-generation picture. Kathleen is at left, Mrs. Raymond holds great granddaughter, Stacey Thomson, seven months, and her granddaughter Linda Thomson is at right. Mrs. Raymond's other daughter, Helina Smith of Lincoln, England was with her for the visit to B.C. Due to the illness of Mr. Raymond they returned to St. Albert earlier than planned, and Mrs. Smith left for home on Monday.

Hints To Remove Spots And Stains

By Pat Prymak,
District Home Economist

"Little Miss Muffett sat on her tuffet, Eating her curds and whey. Along came a spider and spilled it all over And she wondered what mommy would say!"

What little girl hasn't experienced a spot or stain on a favorite dress. What mother hasn't just about died when something was spilled on her new chesterfield. We have had numerous calls lately concerning stains, so in this column I would like to discuss the removal of some of the most common stains.

TO REMOVE STAINS

Farm Employment

By Wally Klatt,
District Agriculturist

Students seeking employment on farms can make application at the DA's office in Morinville.

Additionally, farmers requiring help can make application at the DA's office. The Alberta Agriculture will pay up to \$200 per

- SUCCESSFULLY**
1. Treat the stain as soon as possible.
 2. Remove stains before washing or pressing a garment. Heat sets some stains.
 3. Know your fabric, including some special finishes. A file of hang-tags is helpful here.
 4. Use the best stain remover, taking into consideration both the fabric and the stain. Always test the stain remover on an inconspicuous part of the garment to make sure it will not affect the fabric or dye.
 5. Work rapidly but gently. Apply stain removers in small amounts, repeat-

ing the application if necessary, do not rub.

GREASY STAINS - on washable fabrics - pretreat spots with liquid detergent and launder. If any stain remains when fabric has dried sponge with cleaning fluid (Energine). On unwashable fabrics - sponge with cleaning fluid. Allow fabric to dry and repeat as required. For some stains and fabrics absorbent powder (cornstarch, o.s., etc.) may be the best choice.

ALCOHOLIC BEVERAGE - Washable fabric - laundering may set stain so pretreat before laundering. Sponge or rinse in cool water. Work in liquid detergent and rinse. Use an appropriate bleach on any remaining stain. On unwashable fabrics - fabrics that waterproof should be taken to a dry cleaner. If safe for fabric, sponge with cool water. If some stain remains, work in liquid detergent and rinse. A final sponging with alcohol (two parts water to one part alcohol for use on

acetate) helps to remove the detergent and the fabric dries faster. (Test for color fastness on an inconspicuous area).

ADHESIVE TAPE OR CHEWING GUM - Washable fabric - rub with ice cubes until gum rolls in balls. Scrape off as much as possible with a dull knife. Sponge with rubbing alcohol or cleaning fluid. Rinse and launder.

CHOCOLATE AND COCOA - Soak in cold water. Rub detergent into stain while wet then rinse thoroughly. Dry. If stain remains, sponge with a safe cleaning fluid. Rinse. If colored stain remains, use an appropriate bleach.

COFFEE, TEA - Soak in cool water and rub in liquid detergent. If coffee contained cream, sponge with cleaning fluid.

CRAYON - Apply soap (eg. Fels Naptha, Ivory Snow, Lux Flakes) to stain working until all outline of stain is removed. Launder in warm water, using an appropriate bleach. Repeat process if necessary.

EGG, MEAT JUICE, GRAVY - If dried, scrape off as much as possible with a dull knife. Soak in cold water. Rub detergent into stain while still wet. Launder in warm water, using an appropriate bleach.

INK (ballpoint) - Sponge stain with rubbing alcohol or spray with hair spray until wet. Rub detergent into stained area. Launder. Repeat if necessary. (Sponge acetate, Arnel, Dynel Verel, with amyl acetate). After stain is gone, remove any acetate with dry cleaning fluid.

RUST STAINS FROM WATER - To remove stains from general laundry, soak the clothing in a solution of one tsp. sodium bisulfite or oxalic acid per gallon of water. DO NOT USE BLEACH in water with iron or manganese. Bleach reacts with the iron causing yellowing and rust spots on fabrics. There are also some commercial products available.

If you have a spot or stain on a fabric that you are not sure how to treat, please don't hesitate to call us at 256-3351.

Cooking With Your Hat On

By Pat Prymak
District Home Economist.

Whether you have a job, do volunteer work in the community, or much taxiing of young fry, to be able to prepare meals ahead of time can be helpful, especially during these busy days. Call it quick trick cookery or just imagination, to have dinner all ready and in the oven is a heartwarming thought for all of us!

Bear in mind when planning an oven meal:

1. It takes very little more fuel to cook several foods in the oven at one time than it does to cook a single casserole.

2. Vegetables cooked in the oven should be placed in a covered pan or casserole containing about 1/2 cup of water. For longer cooking times, leave the vegetables whole or in larger pieces; for shorter cooking times dice or cut the vegetables.

3. It is wise to refrigerate foods to be placed in the oven and allowed to stand for several hours before cooking begins.

4. Arrange utensils in the oven so that they do not touch each other or the oven walls, and so that no utensil is directly above another one.

If you can set your oven to automatic, oven meals are a great asset. Frozen casseroles are also a boon to the busy housewife or working woman. Make one-- freeze one -- it pays to double the recipe! Preparing Main Dishes for Freezing-- Use freshly cooked food. Sauces thickened with ordinary wheat flour tend to separate but canned cream soups are satisfactory sauces for freezing. Iron topping until reheating food to allow for the longer heating time it receives after thawing. Cooling -- Rapid cooking stops cooking, helps retain the original quality and helps prevent bacterial growth that may cause spoil-

age. To cool, place uncovered pans of food in very cold water or in a cold place. Reheating -- Do not thaw frozen casseroles before baking. Unwrap, place in greased baking dish, cover and bake one to two hours at 350 F, depending on depth and type of dish. Uncover and add topping during last 10 minutes of cooking.

Storing - Store foods at 0 F or lower. These casseroles will retain their flavor and appearance for at least three months when kept at this temperature. After this period, the quality of the food may decline but it will still be safe to eat if it has been kept frozen.

Why not try a whole meal of oven dishes? Pork cutlets combined with mushroom become a gala affair! Easy to prepare, too, so they're sure to become a favorite with both Mom and the family.

CUTLETS N' MUSHROOMS:
2 lb. pork cutlets
1 tsp. salt
1/4 tsp. pepper
1/2 c. flour
2 tsp. finely chopped celery.

2 tsp. finely chopped onion
3 tsp. shortening
1 - 10 oz. mushroom pieces
1 chicken bouillon cube dissolved in 6 oz. boiling water
1 tsp. Worcestershire Sauce.

Dredge cutlets with a mixture of flour, salt and pepper brown in 2 tsp. shortening, cover and simmer 30 minutes. Transfer meat and pan juices to a two-quart casserole. Brown onion and celery in 1 tsp. shortening, combine with remaining ingredients and pour over cutlets. Cover and bake at 325 for one hour.

With this dish you could serve Potatoes, Cranberry Squash Bake, and Chocolate Fudge Pie. For these recipes and other example menus and recipes why not drop into our office, write Box 510, Morinville, or call 256-3351 for a copy of our pamphlet "Oven Meals."

Interested applicants should contact the DA for application forms.

All about dieting

By Pat Prymak,
District Home Economist.

Spring is a beautiful time of year. With the streams of water trickling down our streets, and the trees and shrubs coming to life, most of us feel an inner joy; we are happy to be alive! Spring is also the time when we want to buy new clothes and want them to look nice on us. Spring is a good time to think about feeling good and looking good and a well-balanced diet. At our office we have some pamphlets on weight control and some exercise charts if you would like to pick up some. Remember, we are in the municipal building.

Here is a comical story I would like to share with you in which many of us can see ourselves:

I have dieted continuously for the last two decades and lost a total of 758 pounds. By all calculations, I should

be hanging from a charm bracelet.

I have done a lot of kidding around with Weight Watchers, but it is the only organization in which I ever lost a great deal of weight. But I fought them.

Every Tuesday morning, a group of us had to "weigh-in" before the lecture. Our ritual was enough to boggle the imagination. We got together a check-list of precautions before we actually stepped on the scale.

Butthorn? Check. Water pill? Check. Have you removed underwear, wedding rings, nail polish? Check. Set scale shoes, corn pads and earrings? Check. Are you wearing summer dress beneath your winter coat? Check.

The first week I stepped on the scale and my instructor said, "you have gained." (Next week, I cut my hair).

The next week I stepped

on the scale and my instructor said, "you have lost eight ounces, but that is not enough." (I had the fillings in my teeth removed).

The third week, my instructor a pound, but my instructor was still not pleased. (I had my tonsils taken out).

Finally, she really chewed me out. She accused me of not sticking to the diet and not taking it seriously. That hurt.

"I didn't want to tell you," I said, "But I think I am pregnant."

"How far?" she said coldly, clicking her ballpoint pen to make a notation on my card.

"Possibly three days," I said.

She glowered, "Any other excuses?"

"Would you believe I have a cold and my head is swollen?"

"No."

"How about I was celebrating the Buzzard's Return to Kinky, Ohio, and had butter on my popcorn?"

She tapped her pen impatiently on the card and stared at me silently.

"Lint in the Navel?" I offered feebly.

"How about first one at the trough?" she asked dryly.

I learned quickly never to argue with a woman who had the scales on her side.

I saw my old instructor the other day and she eyed me carefully and said, "When are you returning to class?"

"As soon as I have my appendix removed," I said returning her gaze.

I'm not sure, but I think I heard her moan.

Legal Pioneer Couple Celebrate Diamond Wedding

About 50 close relatives and friends gathered at the Youville Nursing Home here in St. Albert last Saturday, May 26, to congratulate a pioneer couple formerly of the Legal district, Mr. and Mrs. John Bolsvert who were celebrating their diamond wedding anniversary.

The honored couple, accompanied by their four sons and their families, along with relatives and friends attended a special mass during the afternoon. Immediately after the church service, a social hour preceded the 60th wedding anniversary banquet.

Master of ceremonies, Robert Bolsvert, eldest son of the honored couple read messages of congratulations from Her Majesty The Queen, Prime Minister Trudeau, Alberta Lt.-Gov. Dr. J. Grant MacEwan, Alberta Premier Peter Lougheed and personal congratulations were also conveyed to the distinguished couple, on behalf of peoples of the Constituency of St. Albert by Ernie Jamison, MLA and his wife Shirley.

Mr. John Bolsvert was born 83 years ago at Centerville, Minn., and moved to Legal with his family in 1902. Mrs. Bolsvert (nee Elmire Labelle) was born in 1891 at St. Victor d'Alfred, Ont., and came to Legal with her family in 1913.

"John and I met soon as my family arrived in Legal," Mrs. Bolsvert said, "and we were married a few months later. I guess that's what you might call love at first sight."

The marriage was solemnized May 26, 1913 in the St. Emile Roman Catholic Church in Legal by Rev. Father A. Gauthier.

It is quite obvious that Mrs. Bolsvert is right in saying that "it was love at first sight" because this spry and alert couple are still enjoying another's company, they both enjoy television, cards and have a wide circle of friends. They both agree that they had a good and active life and are looking forward to every coming day.

Mr. and Mrs. Bolsvert have four sons Robert of Edmonton, Roland of St. Paul, Roger of Wetaskiwin and Raoul of Legal. They also have 14 grandchildren

owing free bishop sleeves. Her flaring skirt was also trimmed with alencon lace. To complete her ensemble a delicate white cap held her long veil. She carried a cascade of pink roses with ribbon streamers accented with rosebuds.

They carried slight cascade bouquet of white daisies and pink baby's breath. Best men were Robert Dubois and Dwane Ferguson from Edmonton.

Beach Picnic ends Alcomdale 4H year

By Mary Mensink

The May business meeting of the Alcomdale 4H Clothing Club was held on the 10th at the home of Mrs. Slezka. For a year-end party it was decided to go to Sandy Beach and have a picnic on May 27, when the whole club will meet at 1 p.m. at the home of Mrs. L. Whitson.

It was decided to hold the reorganization meeting Sept. 12 at 7:30 p.m. at the home of Mrs. C. Stitsen. Mrs. Lowe showed slides from her trips to Great Britain, Hawaii, and Eastern

Canada which the whole club greatly enjoyed.

Achievement Day was held April 25th, at Independence Hall, beginning with O-Canada and the pledge led by Rita Seib and Marilyn Mitchell. Kathy Kyle gave the year's activity report. Corsages were given to leader Mrs. H. Busenius and our assistant leader Mrs. L. Whitson by Elizabeth Stitsen. The first section of the fashion show was held with Frances Busenius commenting. During intermission winning speeches by Kathy Kyle and Marilyn Mitchell were given. The second section of the show followed, with Alice Domino commenting.

Bon Accord Mill Rate Approved At 55 Mills

Bon Accord Village Council met for their regular May meeting on the 21st and reconvened on the 23rd to finalize the business on hand.

Budget estimates were presented to council for their consideration. Because of the new assessment and the eliminating of the hospital requisition, council found it possible to reduce the mill rate to 55 mills - a reduction of 12 mills from the 1972 levy.

At the reconvened meeting held May 23, Bylaw #60 was passed, authorizing the 1973 mill rate to be set at 55, made up as follows: Municipal 22, School Foundation 20 and School Supplementary 13. Also at the May 23 meeting, a motion was passed appointing Mr. Kenneth Fearnley as building inspector for the village.

In accordance with the agreement made at the meeting of March 19 when Councillor Brennan gave notice of his intention to resign at the May meeting of council, at the May 23 meeting

of council, Councillor Elmer Brennan's resignation was accepted with regret.

Following the procedure outlined by the village solicitor, in accordance with the municipal government act, legal action is being taken concerning the structure on Lot 23, Block 7, Plan 5261 B.A.

A request from Mr. N. Mansfield, divisional superintendent, St. John Ambulance, asking council to consider the installation of an emergency reporting telephone system, received the approval of council. Allowance has been made in the 1973 budget for the installation of up to six E.R.S. telephones and Mr. Mansfield has since been authorized to proceed with the arrangements to have these telephones installed.

The purchase of oil for streets was authorized and has since been applied.

The next regular meeting of council will be held June 16th at 7:30 p.m.

Legal Students Elect Lil Brisson Queen

By Paulette Cloutier

The Legal High Student's Union again hosted the May Queen on May 12. The lovely evening commenced with a mass at 7:30, in which the candidates and many other

guests attended.

The scene then changed to the beautifully decorated gymnasium where the theme chosen was "Raindrops Keep Falling on My Head." The theme was vividly represented by the spring-like scene.

Many people came to swing to the music of the "Rite Direction". At 10:30 the candidates: Lilliane Brisson, Sylvia Charrois, Laurette Kleiser, and Marlene Zillinski gave their impromptu, as well as, an essay, popularity vote and the selling of tickets.

The judges: Mrs. Leduc, Mr. Carl Royan, and Mr. Gerald Bouleau had a very difficult task, but finally decided who was to be May Queen 1973. Miss Terry Keane, last year's May Queen, thanked the school for the experience of being queen of the school for one year. After she had finished her lovely talk, she then crowned Lilliane Brisson as May Queen 1973. Runner up was Sylvia Charrois. Although the other candidates did not win, they all received a gift and a rose from the Student's Union.

The dancing then resumed and everyone had a good time.

MORINVILLE MEMOS

By Flo McGillis

On Saturday, May 26 at the North Central Zone track meet, two of Morinville's track and field competitors were among those who qualified to advance to the provincials. Carol Wojtkiw captured second place in the senior girls' high jump while Denis Boissonnault came up with second place in the junior boys discus. These two students from G. P. Visser were competing with some 400 entrants from the zone and will now go on to the provincials to be held in Calgary, June 1, 2 and 3. Congratulations to two fine athletes!

With all the sunshine (?) these days, the Senior Citizens Rendezvous Club has concluded their regular Wednesday afternoon card parties until the fall, so that everyone can take full advantage of the summer. At the moment the ladies are working on a hand made quilt that they will display at the Arts and Crafts Exhibit during Frontier Daze. Regular quilting bees have been set up and everyone is thoroughly enjoying the new venture.

Several members of the Senior Citizens Rendezvous Club travelled by car to attend the RCMP Centennial birthday celebrations at Londonderry on May 23, reporting that it was extremely enjoyable. The club felt badly about more of the S.C.

not knowing about it and thus missing out on a fine afternoon.

This week birthday wishes to Mrs. Yvonne Teller and Mrs. Vitaline Meunier who celebrate a big day on June 3rd.

Mr. and Mrs. Lawrence MacDonald of Edmonton, formerly of Morinville, were visitors in town last weekend and they wish to announce the graduation of their son Larry MacDonald, who recently received his degree in civil engineering. Larry is employed with Northwestern Utilities and plans to marry Miss Kathy Morrow in the fall.

Morinville was saddened to hear of the death of Mr. Walter Ferguson early on the morning of May 25. Mr. Ferguson was a graduate of Morinville by car when the mishap occurred. Funeral services were held at Park Memorial in Edmonton on May 28th.

Arrangements are being made for the Travelling Arts and Crafts Caravan to spend a full week in Morinville this summer. You will remember that last year we only had the caravan for three days, all of which turned out very rainy and wet. This year there will be a wider variety of activities offered, and everyone knows that it won't rain! Watch for further details of this program.

Morinville Junior Pedal Pushers Club will hold their final session and receive their certificates of proficiency on the evening of June 6. The program will be held downstairs in the Recreation Centre at 6:30 p.m. So far there has only been one evening when the session had to be cancelled and that was Thursday, the 24th when the wind was too strong, so the club has really been going great guns!

The Weiss family are busy

getting settled in their new home in St. Albert, Germany having closed out her beauty parlour here and sold the building. Best of luck in your new home, and drop in at Morinville often folks.

Speaking of new homes, Eva and Ross Quinn and Liz and George Mallett are looking forward to moving into the new homes which are presently being constructed for them on Fronlenac Ave.

In a recent newsletter to parents, from Thibault School Board, it is pointed out that the study of our high school which has been commissioned by the board, is to collect data to UPGRADE the school, and not to close it, as so many rumors have been worded. An evaluation team from the department of education will analyse the present programs and a group of professors from the University of Alberta will study the attitudes of students and parents through a questionnaire. The newsletter points out that these studies are conducted in the strictest confidence and (quote) "The intention of the Board is not to close our high school, but rather to upgrade it so that we will be better prepared for future growth and development."

Without too much urging, the townspeople of Morinville have been doing a good job of cleaning up, painting, planting etc., this spring. Although it can be noticed that there are still a few areas where some additional attention and personal pride could do a great deal for the general appearance of our fine town. How about checking your yard and premises and really comparing them to the average property that we now have? You may be surprised to see that there is still some work to be done.

The Rec. Board has had no mothers come forward yet to offer their ideas and one or two hours time so that the summer playground program can become a reality. In 1970 - 71 and 72 there were many complaints because there was no program, and now it looks like maybe there won't be one again. Assistance is required NOW !!!

Frontier Daze To Feature Variety Of Entertainment

By Flo McGillis

The RCMP Centennial Edition of Frontier Daze 1973 which will take place June 23 and 24 will have a wide variety of bands, orchestras and vocal groups entertaining the crowds from beginning to end.

At the pancake breakfast which will open the big celebration on Saturday, June 23 at 7:30 a.m., the Vollrath Band will provide toe-tapping music, getting everyone in the mood for the activity packed two days.

During the parade of course, there will be innumerable bands with fancy dress as well as fancy, fun-free music.

Then during the V.I.P. dinner, the Chalfoux Band will keep the action going, and Morinville's Frontier Jane, Muriel Krauskopf will provide the guests with a number of selections that they can 'join along' with. Frontier Jane is extremely well known and admired for her ability to please everyone that has come out for the celebration, no matter what the day or for what cause.

Some of the special entertainment that will be provided outside at the grounds during Saturday and Sunday includes: the Sealander Band from CFB Namao, Morinville's Drum and

Muriel Krauskopf... Morinville's Frontier Jane... will again be featured along with many well-known entertainment groups during the annual Frontier Daze celebration held this year June 23 - 24.

Bugle Band, the Edmonton Strutters, the Klondike Posse and Musical Ride.

In the Arena at the Beer Gardens on Saturday the Chalfoux Orchestra and the Vollrath Band will be entertaining the crowd, and from experience, everyone knows what a good time they provide for all!

Saturday, June 23 there will be two big dances going on, one for the young folks and one for the adults. The young people will be dancing to the music of the 7 piece Hub Cigar Store, while the adults will enjoy the Alpine Band again this year.

For the big show on Sunday evening, June 24 the feature entertainment will be provided by Gaby Haas and his group. This will be a first for Frontier Daze, and it is sure to be a big winner!

Library

By Flo McGillis

The enthusiasm of some 48 small children at the two "Story Hours" held at the Morinville Centennial Library on May 15 made the experiment a huge success.

A special thanks is extended to Mr. Don Mills of St. Albert for his kindness in bringing this event to Morinville, the children really loved him. With his great gift and unending patience Mr. Mills caught the imagination of all in attendance, and the parents appreciate his generosity in sharing his time and talents with Morinville.

It is hoped, by the board, that some less ambitious form of a "Story Hour" may be introduced at regular periods, but it will take some time and work so all you children must be patient. The board requests that anyone who has experience in this field contact the Librarian so that some plans may be developed.

As previously reported, there is at the moment a display of books by Alberta authors at the library. These books may be borrowed, during their stay in Morinville which is until June 30th.
